Licence agreement

1. Parties

This agreement is between **MotionPlay Labs Ltd**, a company registered with the Corporate Affairs Commission under RC 9621200, of House 12, Regal Seaview Estate, Lekki, Lagos State, Nigeria ("MotionPlay Labs"), and **[School name]** of [school address] ("the School").

2. Definitions

- **Festival Town** means the learning game made by MotionPlay Labs, on web, app and TV, with its worlds, updates and teacher materials.
- **Licensed pupils** means the pupils the School lists for a term, in the classes it chooses.
- **Term** means one of the School's three academic terms.
- **School release** means the teacher guide, pupil logins and progress summaries, once MotionPlay Labs makes them available.

3. The licence

3.1 MotionPlay Labs grants the School a non-exclusive, non-transferable licence to use Festival Town with its licensed pupils and their teachers, at school and at home, for the term paid for.

3.2 The School may show Festival Town on any screen in its classrooms and halls. It may not charge anyone to watch or play it, or share access with pupils who are not licensed.

3.3 New worlds and updates released during a paid term are included.

4. Term and renewal

4.1 The agreement starts on the date of the last signature and covers the first paid term.

4.2 It renews for each following term unless either party gives written notice at least 14 days before that term starts.

5. Fees and payment

5.1 The fee is ₦1,500 per licensed pupil per term, plus VAT where it applies.

5.2 By the end of the second week of each term the School confirms its number of licensed pupils. MotionPlay Labs then invoices for that number, and the School pays within 14 days of the invoice.

5.3 Pupils added before the middle of a term are billed for that term. Pupils added after the middle of a term are free until the next term.

5.4 If an invoice is unpaid 30 days after it is due, MotionPlay Labs may pause access after giving 7 days' written notice.

5.5 For schools that sign as founding schools, the fee in 5.1 stays at ₦1,500 per pupil per term for three years from the first paid term.

6. What MotionPlay Labs provides

6.1 Access to Festival Town for licensed pupils and their teachers.

6.2 A teacher onboarding session at the start, and a named contact who replies to support requests within 2 working days.

6.3 The school release features as they become available, at no extra charge.

6.4 MotionPlay Labs takes reasonable care to keep Festival Town available and accurate, but does not promise it will never be interrupted.

7. What the School does

7.1 Provides the screens, devices and internet its classes use.

7.2 Supervises pupils while they play at school.

7.3 Keeps logins to its licensed pupils and teachers.

7.4 Tells parents that the School uses Festival Town.

8. Children's data

8.1 Festival Town does not ask children for personal information and shows no adverts. Settings and purchases sit behind a grown-up check.

8.2 Pupil logins, when available, use codes the School sets, not pupils' names.

8.3 Where MotionPlay Labs handles any personal data for the School, it acts only on the School's instructions, keeps the data secure, uses it only to provide Festival Town, and deletes it when this agreement ends, in line with the Nigeria Data Protection Act 2023.

8.4 The game may record anonymous play counts (for example, which activity was finished) with no name or device ID. A grown-up can switch this off in the game's settings.

9. Intellectual property

9.1 MotionPlay Labs owns Festival Town, its characters, art, voices, text and code. This agreement gives the School a licence to use it, not ownership.

9.2 The School may not copy, change, resell or record Festival Town for distribution, except for its own lesson materials and parent letters.

9.3 Anything the School creates, such as its own worksheets, stays the School's.

10. Results and liability

10.1 Festival Town supports teaching. MotionPlay Labs does not promise any particular learning result.

10.2 Neither party is liable for indirect or unforeseeable loss.

10.3 MotionPlay Labs' total liability under this agreement is limited to the fees the School paid in the 12 months before the claim.

10.4 Nothing in this agreement limits liability that the law does not allow to be limited.

11. Ending the agreement

11.1 Either party may end the agreement at the end of any term by giving written notice at least 14 days before the next term starts.

11.2 Either party may end it at once if the other breaks it seriously and does not put it right within 14 days of written notice.

11.3 Fees for a term already started are not refunded, unless MotionPlay Labs stops providing Festival Town during the term, in which case it refunds the unused part of the term.

12. Law and disputes

12.1 This agreement is governed by the laws of the Federal Republic of Nigeria.

12.2 The parties will first try to settle any dispute by talking, within 30 days. If that fails, they will try mediation in Lagos before going to the courts of Lagos State.

13. General

13.1 Notices are given by email to the addresses below and take effect on the next working day.

13.2 Changes to this agreement must be in writing and signed by both parties.
